Bill – I sent this to Matt Magorrian also but due to my working remotely I afraid that it just went through to him. This is the original meeting request from Nastri. We just need to find out who is on tap for materials. Matt suggested that he thought Frithsen and the team here would be doing this round. It does not sound like you all were looped in on this one when it went on the books. I will check with Frithsen to see where we are at in terms of materials because they go to the Administrator by 4:00 pm ET.

Thanks,

Don

I've not seen one. I'll call him.

I just wanted to talk about thoughts on outreach
